

Do you know how to talk to someone who is worried or distressed?

The SAGE & THYME® foundation level workshop (3 hours) teaches:

-  A memorable structured approach for getting into and out of a conversation
-  How to empower patients/carers who are worried or distressed
-  Communication skills that are evidence based

The SAGE & THYME model can be taught to any member of staff (e.g. healthcare assistants, nurses, allied health professionals, doctors, administrators, students, volunteers) in contact with distressed people (not just patients) and in any setting (e.g. hospital, patient's home, nursing home, hospice, social care)

Training dates:
